RE: Donations for Veteran’s Day Luncheon

Dear Business,

On behalf of the entire Veterans Student Affairs Office and our student leadership team, we would like to thank you for your contribution. It made all the difference to UC Davis’ student veterans to know how much their community supports them.

On Wednesday, November 10, 2010, student veterans from all the different branches of the military convened to share a meal as a community. In the space of those few hours, they had a brief reprieve from the rigors of their studies and received a little well-earned recognition for the service they have done for our country. They enjoyed a free lunch, the company of their fellow veterans, and a display of all the thank-you cards written by the students of UC Davis. At the end of the day, the student veterans left with their appetites not only satisfied, but also, each received a small token of appreciation in the form of raffle prizes.

Due to your generous donations and the collected support of the whole Davis community, not a single veteran left the luncheon empty-handed! Thus, it is with great joy that we report the Veteran’s Day Luncheon was a great success, and we could not have done it without your help—so allow us to express our gratitude.

Thank you for supporting the UC Davis student veterans!

Sincerely,

Albert Wong, Brian Li, Jessica Kozlowski & Katherine Kempkey
