Certificate Programs

The Center for Leadership Learning (CLL) is dedicated to helping all undergraduate students from all majors, class levels, and degrees of experience foster their leadership capacity and strengthen their professional acumen. Enrollment in the following certificate program is accepted throughout the academic year:

Student Professional Development Program (SPDP)

SPDP builds competencies valued by employers through interactive workshops and a quarter-long professional development experience.

Students who successfully complete all program requirements, *by the time of graduation*, will receive a certificate of completion that is signed by the Chancellor, Vice Provost - Undergraduate Education, and Vice Chancellor - Student Affairs.
