Leadership Essentials Workshop Series

Spring 2019 Workshop Calendar

Foundations of Leadership

Leadership is more than title and position, telling others what to do, or having authority and power. Rather, it is a process of collaborating with others to create positive change. This workshop will help you deconstruct outdated ways of thinking about leadership and highlight practices needed to address complex problems for a complex world.

Monday, April 1 5:10-7:00p
Wednesday, May 1 4:40 - 6:30p

Self-Awareness

Each person brings individual qualities, experiences and values when engaging in leadership, and understanding of these aspects of yourself is essential. In this workshop, you will explore how self-knowledge impacts your goals as a leader and helps you navigate interactions with others.

Monday, April 8 5:10 - 7:00p
Wednesday, May 15 4:40 - 6:30p

Balancing Your Plate*

People often have varied responsibilities that compete with one another, are overwhelming, and impact the quality of decisions. For a leader to be effective, it is necessary to find balance between each of their pursuits. In this workshop, you will learn to set priorities, strategize a time management plan, and practice self-care.

Wednesday, April 10 4:40 - 6:30p
Tuesday, April 23 4:10 - 6:00p

Communication

Communication is multidimensional and involves more than just talking. Awareness of what is communicated beyond words is essential. This workshop will help you learn techniques to use within multiple contexts, develop an awareness of communicating across difference, and employ active listening skills.

Wednesday, April 17 4:40 - 6:30p
Monday, May 6 5:10 - 7:00p

Ethics and Trust*

Every decision a person makes is guided by their own set of ethics. In this workshop, you will explore ethics as a framework for decision-making, clarify your own ethical principles, understand the importance of integrity within organizations, and learn ways to build individual trust.

Wednesday, April 3 4:40 - 6:30p
Monday April 22 5:10 - 7:00p
Tuesday May 28 4:10 - 6:00p

Tuesday, April 9 4:10 - 6:00p
Monday, May 13 5:10 - 7:00p

Dimensions of Diversity

To effectively collaborate, we need to understand and learn from others who embody different identities, experiences, and beliefs. This workshop will help you explore social identities, ways in which difference impacts how we interact with others, and the concepts of power, privilege and oppression.

Monday, April 15 5:10 - 7:00p
Tuesday, May 7 4:10 - 6:00p

Group Development

Group work is something you will encounter throughout college and beyond. When working with others, it is helpful to have a solid understanding of how groups form, operate, and change. In this workshop, you will learn how to establish productive relationships and foster teamwork within your group.
